Association			2 		

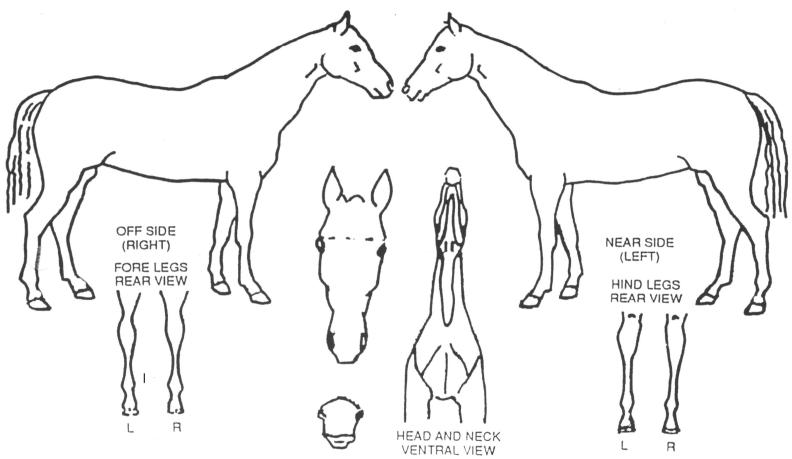

Applications must be members of ISSA. Applications should be supported by such proof of identification and breeding as is available, ie: parentage validation by DNA testing or bloodtypng, birth certificate, service certificate or other registration papers. Photo copies are acceptable. Please indicate all markings on identification profile over. Please refer to the breed categories listed in the studbook rules and specify the appropriate one for your horse.

Application to be accompanies by registration fee of \$40.00 and returned to the registrar PO Box 421 Warburton, Vic. 3799

A full colour photograph, of the near side, in open position and showing the face of the horse, should also be enclosed. If acceptable, this will be included in the registration certificate in lieu of the identification profile

Name of Horse
